Established in 1977, Abdulla Nasser & Associates (ANA), and operating under a General Trading License has been providing professional assistance and marketing support to major international companies, in its capacity as agent of the said companies, in all aspects of their business, whether in the provision of service or in the supply of equipment and materials, to clients, within the Emirate of Abu Dhabi, and throughout the United Arab Emirates.

ANA retains a carefully selected group of sponsored companies, on an exclusive basis, and ensures that each company receives the same detailed attention in the promotion of its activities, through the provision of:

a) Information on opportunities in projects, undertaken in Abu Dhabi and/ or other Emirates of the U.A.E.
b) Reliable and up-to-date service on all local aspects of trading in Abu Dhabi and the U.A.E.
c) Flexible and informed approach to business opportunities, such as joint ventures and other forms of partnership with foreign and local companies.

In addition to the provision of assistance to its principals, ANA’s activities in trading goes far beyond the limits of the supply potential of the said principals, by sourcing for its clients’ needs, from a number of highly motivated non- principal suppliers, with whom ANA maintains a good working relationship. Although ANA’s focus has, in the past, concentrated on serving the U.A.E. and in particular Abu Dhabi’s ‘oil and gas sector, on-shore and off-shore, ANA is expanding its area of activity, not only to include other sectors (i.e. power, ports, industrial plants & infrastructure projects ) within the U.A.E., but also to capture the potential available in the other countries of the gulf region, through an ever increasing co-operation with local branches of major international engineering contractors.
Our Services

- On-Shore & Off-Shore Oil and Gas Fields Services.
- Power & Infrastructure.
- Commercial Agencies.
- Companies Representation.
- General Trading.

Major International Principals

- Foster Wheeler International Corporation, USA
- Chicago Bridge & Iron Company, USA
- ABS Group Inc, USA
- TRC Advanced Technologies, USA
- Sivasakthi Power Services Pvt Ltd, INDIA
- Safety Systems UK Limited, Part of Pentair Ltd
- Altair Filters International, Part of Clarcor Inc, UK
- Woodfield Systems Limited, UK
- Controls South East Inc, USA
- Welders N.V, Belgium
- Boreal Laser (Overseas) Ltd, CANADA
- Wireless Measurement Ltd, UK
- Cubex Tubings Limited, INDIA
- Infineum Ltd, UK
- INAEL Electrical Systems, SPAIN

About ANH

ANH established in 1977 was the brain-child of Mr. Abdulla Nasser Huwaileel who foresaw the need for a soundly based local holding company to serve as a vehicle to develop new schemes and to handle all his diversified investments and interests at home and abroad.

ANH was therefore established to participate in the local development program and also to take advantage of the associated business opportunities.

- Over 75 companies in the group.
- Corporate headquarters in Abu Dhabi and operations all over the Gulf Region.
- Diversified businesses Interests in:
  - Retail
  - Manufacturing Industries:
    - Steel
    - Power
    - Polymers
    - Structural Steel
  - Oilfield Supplies
  - Product Storage
  - Dredging
  - Agency/Sponsor
  - Cathodic Protection
  - Investments
  - Real Estate
- Staff strength in excess of 5,000.
- Most of the companies with ISO certification.
Chairman

The success of ANH and its subsidiaries can be attributed to the vision and foresightedness of its founder Mr. Abdulla Nasser, diversification of business interests, flexibility, innovation and above excellence in customers’ service.

Academic Qualifications

- B.Sc. (Hons.) in Electrical Engineering from U.K.

Present Key Positions

- Chairman of the Board, Al Nasser Holdings
- Director, Bank Alfalah Limited, Pakistan.

- Key positions previously held

  - Board Member, Abu Dhabi Executive Council.
  - Director, Water & Electricity Department of Abu Dhabi.
  - Director of Projects, ADNOC.
